Good morning-

Ms. Hayden is correct in pointing out that the Respondents, by electronic message dated August 24, 2017, did in fact request a 45 day extension of time to answer the Complaint in this matter.

Once again, I apologize for the confusion caused when, in the order I issued on August 29, 2017, I mistakenly characterized Respondents' request as one for a 30 day extension. However, as that order did actually grant a 45 day extension, I do not think it necessary to issue a revised order at this time.

Thank you,  
Helen Ferrara

Dear Ms. Hayden -

It is a 45 day extension. I apologize for the mistake. I cut and pasted from my prior order.

Thank you for pointing the error out to me; I will issue a correction by early next week.

Dear Ms. Ferrara,

Thank you for providing me with a copy of the Order issued to Respondent in the above referenced matter granting an extension of time to file an Answer until Oct. 8, 2017.

Please clarify if the extension of time Respondent requested is a 45-day extension, or a 30-day extension. The Order indicates it is a 30 day extension. However, the date indicates it may be a 45-day extension.

Respondent did not copy me on its request. I believe the Parties discussed a 45-day extension to allow the Parties to continue settlement discussions. Thank you again.

Sincerely,

Melva J. Hayden
